

Gift of Grace

John Wesley wrote about what he called the means of grace – worship, study of Scriptures, and so on – as individual and communal acts that bring us closer to God. This “Gift of Grace” set of videos will serve to enhance your understanding of Wesley’s teachings on the means of grace in the life of a Christian, as faculty and staff members from Asbury Seminary share their insights with us. The videos listed below include both the music and the teaching.
